**JOB POSTING
OFFICE OF HUMAN RESOURCES
June 15, 2017**

POSITION: Graduate Associate (Two Positions Available September 1)

DEPARTMENT: Chiropractic Clinical Sciences

DIVISION: Academic Affairs

HOURS: Part-Time, Hours To Be Determined

GENERAL DESCRIPTION: The Graduate Associate is responsible for assisting the lead lab instructor in various Doctor of Chiropractic program laboratory classes.

SPECIFIC RESPONSIBILITIES:

1. Help students learn the various skills that may be required for the laboratory class. Each course would require the learning of the science and art of performing the assessment, normal and abnormal findings, and its associated clinical interpretation.
2. Observe and assist students in the performance of the various adjustive/ diagnostic procedures on other students as required for scheduled lab.
3. Assist students and lead instructor in performing the tasks at hand as outlined in the trimester's syllabus.
4. Work closely with the lead instructor to maintain a consistency in both the performance and interpretation of the various chiropractic or diagnostic techniques.

QUALIFICATIONS: Doctor of Chiropractic degree holding a New York State license. Solid adjusting skills are necessary. Clinical experience in the area of chiropractic technique is helpful. Ability to interact effectively with students as a teacher and a role model is essential. Prior teaching experience is desirable.

If you are interested in applying for this position; please submit a cover letter, resume and contact information for three professional references to: the Office of Human Resources, 2360 State Route 89, Seneca Falls, NY 13148, or e-mail your response to: sbowman@nycc.edu

** Employment is subject to the favorable result of a background investigation and where applicable, confirmation of appropriate degrees and credentialing.*

New York Chiropractic College is an Equal Opportunity employer and does not discriminate against students or employees on the basis of age, race, color, creed, gender, sexual orientation, or handicapping conditions (or any other protected status) in its educational programs, financial aid, activities, admissions and employment practices.
